## THE FRIENDSHIP

Written with a pen,sealed with a kiss;  
If you're my friend,please answer me this;  
Are we friends,or we not?  
You told me once,but I forgot.  
So tell me now, and tell me true;  
So I can say I'm here for you.  
Of all friends I have ever met  
You are the one I won't forget.  
And if I die before you,  
I'll go to heaven and wait for you.  
There isn't a thing I wouldn't do,  
To have a friend just like you.

## HER HANDS

Her hands held me gently from the day I took my first breath.

Her hands helped to guide me as I took my first step.

Her hands held me close when the tears would start to fall.

Her hands were quick to show me that she'd take care of it all.

Her hands were there to brush my hair or straighten a wayward  
bow,

Her hands were often there to comfort the hurts she didn't always  
show.

Her hands would also push me through meadows and take me  
along the way,

Her hands would also punctuate the words, "Just do as I say".

Her hands sometimes had to discipline to help bend this young  
tree,

Her hands would shape and mould me into all she knew I could  
be.

Her hands are now twisting with age and years of work,

Her hands now need my gentle touch to rub away the hurt.

Her hands are more beautiful than anything can be,

Her hands are the reason I am me.

# MOM

You are the sunlight in my day!

You are the moon I see far away.

You are the tree I lean upon,

You are the one who makes troubles  
gone.

You are the one who taught me to  
live,

How not to fight and what is right.

You are the words in my song,  
you are my life, my love, my mom.

I'm blessed by god who sent you from  
above,

You are my life, my mom, my love.

# SMILE

All the while

I try to smile

For smiling brings joy to all

But I fear my tears may fall.

Smile is what my face shows,

What is hidden in me no one knows,

One day I'll have to go,

That is all which I know;

Memories of my smiling face will remain,

And that is what I want to gain,

A smile will help in every mile;

So I smile and will always smile.

# MY SCHOOL PROMISE

Each day I'll do my best

And I won't do any less.

My work will always please me,

And i won't accept a mess.

I'll colour very carefully,

My writing will be neat,

And I will not be happy,

Till my papers are complete

I'll always do my homework;

And try my best for every test.

I won't forget my promise,

To do my very best.

## I WISH I COULD SEE MY MOM

Mom...when I came to know what this 3 letter word actually means I couldn't find her by my side.

I wanted to see her but she never appeared in my dreams, I wanted to feel her but she was out of my reach. I wanted to hear her voice but she preferred to remain silent before me....I wanted to know her but she never seemed to disclose her identity before her little daughter. I wanted to have her but she never shared herself with me.

It was a month later when I came to know the truth that she was no more with me... nor with anyone else. It was too late before I realized that I had lost her... I had lost my mom.

Tears never forgot to roll down my cheeks every day at night....It seemed to have become a daily schedule of them. Wherever they might have been....but when it was darker...they came back to me...reminding me of her, of my mom.

But I had my dad and he was my mom too.

As years rolled by... I grew up a little more ... and my mind matured to some extent....but a fear clutched my heart ...the fear was of a new mother to me....and more than that it was of a new wife to my dad.

Fear grew more and more....and then one day it was all over....as my dad got a new wife...and me...a new mother. I pretended to be happy before her and others so much...that when I was alone I cried...I cried even more....tears built their shelter in my eyes once again and accompanied me during my aloof night sleep.

She, the so called mother was nice, nice to me...and I too was the same to her. She took care of me, and tried to become my mother and perhaps she did too...she became my mother...but not my mom...

Time never stopped but some unfulfilled wishes always poked my heart...how I wish I could see my mom...feel her, and know her. I know, I would never ever let her go...if I had her...but alas...she was never mine...maybe she seemed to prefer the heaven much more than me....or maybe it was me who did not deserve her....

Whatever it is I know I have to move forward in my life.I have now learnt to live without my mom. And with my mother...it's now been a while since I had lost my mom, her memory has faded from my heart now...as I am not the same mamma's little girl who had once lost her mom ...it's me now, a responsible daughter....and I have a father and of course a mother who has now become my mom.

But I know...there is somewhere in some corner of my heart...her incompleteness...which was never completed.

# RAKSHA BANDHAN

This festival celebrates the love and duty between brothers and sisters. It is also popularly used to celebrate any brother-sister relationship between men and women who may or may not be biologically related. The festival is also observed by Jains as a religious festival, as on Raksha Bandhan.

# OUR NATIONAL FLAG

Our National flag is not only a piece of cloth with white, saffron and green colour; It is very dear to us.

We held it a great sacrifice. We wanted to pull down from English rulers. We suffered for it. Many Indians died for it.

They loved it more than their own life. It was the symbol of their honour. It was the sign of the honour of mother land. It gave us great inspiration. It was our national flag which kept the torch of Freedom our Prime Minister host it at top of the Red fort on 15 august 1947. We feel proud to see it in hosting way.

# FUN WITH NUMBERS

If we multiply the number “15873”, by the numbers 7, 14, 21, 28, 35, 42, 49, 56, 63, then the wonderful results are: -

$$15873 \times 7 = 111111$$

$$15873 \times 14 = 222222$$

$$15873 \times 21 = 333333$$

$$15873 \times 28 = 444444$$

$$15873 \times 35 = 555555$$

$$15873 \times 42 = 666666$$

$$15873 \times 49 = 777777$$

$$15873 \times 56 = 888888$$

# SWACH BHARAT

Swach bharat is a campaign which motto is to make our country clean and fully planted with trees which reduces the pollution. According to this swach bharat abhiyyan is a mission started by our government to keep India clean and neat. It was started on 2<sup>nd</sup> October 2014 by our prime minister Narendra Modi. It is important for all of us to contribute to the mission. Few ways to contribute to the mission are: -

- We should keep our houses clean and always try to keep our gardens clean, we should also keep our schools clean which is our second home. We should always throw the waste in dustbins.
- We will stay healthy only if we stay in a clean place so keep your place clean and neat.
- We should always teach the small children to clean our surrounding and never make them dirty.
- We will not fall sick if we stay in a clean place so keep your surrounding clean and green.

## CHANGE YOURSELF

Once upon a time there was a king. He ruled a prosperous country. One day he went for a trip to a distant country. When he was back to his place, he complained that his feet were very sore as it was the first time that he went for such a long trip.

The road that he went through was very rough and stony. So, he called his minister and asked him to cover all the roads of the entire country with leather. Definitely this would need skins of thousands of cows and would cost him a huge amount of money.

One of his wise advisors dared himself to tell the king, "Why do you have to spend so much of money and time for this? Why don't you just cut a little piece of leather to cover your feet?" The king was very surprised, and after thinking for some time understood what the person meant and said, "I will change myself so that this world could change".

Putting shoes on your feet is practical, more realistic and more attainable.

Let the change come from within ourselves.

## **Heart Touching Story.....with a Moral**

A doctor entered the hospital in hurry after being called in for an urgent surgery. He answered the call asap, changed his clothes & went directly to the surgery block.

He found the boy's father pacing in the hall waiting for the doctor.

On seeing him, the dad yelled: "Why did you take all this time to come? Don't you know that my son's life is in danger? Don't you have any sense of responsibility?"

The doctor smiled & said: "I am sorry, I wasn't in the hospital & I came as fast as I could after receiving the call..... And now, I wish you'd calm down so that I can do my work"

"Calm down?! What if your son was in this room right now, would you calm down? If your own son dies now what will you do??" said the father angrily

The doctor smiled again & replied: "I will say what Job said in the Holy Book "From dust we came & to dust we return, blessed be the name of God". Doctors cannot prolong lives. Go & intercede for your son, we will do our best by God's grace"

"Giving advises when we're not concerned is so easy" Murred the father.

The surgery took some hours after which the doctor went out happy, "Thank goodness!, your son is saved!" And without waiting for the father's reply he carried on his way running. "If you have any questions, ask the nurse!!"

"Why is he so arrogant? He couldn't wait some minutes so that I ask about my son's state" Commented the father when seeing the nurse minutes after the doctor left.

The nurse answered, tears coming down her face: "His son died yesterday in a road accident, he was at the burial when we called him for your son's surgery. And now that he saved your son's life, he left running to finish his son's burial."

**MORAL** : Never judge anyone..... because you never know how their life is & what they're going through".

### MY GRANDMOTHER

I don't know when it happened.

I don't know when she came,

But she's the one I always knew,

Grandma was her name.

She taught me how to tie my shoes.

She taught me how to talk.

And though I can't remember,

I think she taught me how to walk.

A little girl to share her name,

For all that she'd given me.

So much I owed to Grandma,

That was plain to see.

As time passed and life grew short

I hoped my Grandma knew

That it was her love and her support

That always got me through.

If I could tell her one more thing

"Thanks Grandma," is what I 'd say

For loving me and making me

The man I am today.

# IF I COULD TOUCH THE SKY

If I could touch the sky  
I would grab a star  
and hang it in my bedroom

If I could touch the sky  
I would pull down the moon  
and use it to light up my room

If I could touch the sky  
I would catch a cloud  
and use it for my pillow

If I could touch the sky  
I would give away  
all the stars that are there  
to sprinkle everywhere

Who would you give the star to?

## **MY BEST FRIEND**

The past you cannot forget or undo,  
The future is all we can look forward to.

I wish I could have been there by your side...  
For all the times you've wept and cried.

Know from my heart, what I say is true...  
That I hurt for the pain you have been through.

Never alone shall you be,  
Someday, freedom you will see

May your hopes and dreams come true,  
No matter where you are, I'll always be here for you.

डिजिटल इन्डिया

देश आगे बढ़ रहा है ।

मुझे लगता है.....देश आगे बढ़ रहा है ।

जहाँ देखो संचार तंत्र का फैलता जाल ।

इन्टरनेट, वाईफाई, यू-ट्यूब, होटस्पोट -

हर आदमी के जीवन में कर रहे विस्फोट ।

बैंक, दफतर, दुकान, शॉपिंग-मॉल का,

रंग ही बदल गया ।

जब से मेरा प्यारा भारत,

डिजिटल इन्डिया में ढल गया ।

अरे भैया! चिट्ठी पत्री के दिन बीत गएल ।

अब तो भा रहा है मुझे गूगल का ई-मेल ।

जिसे देखो हाथ में स्मार्ट फोन लेकर घूम रहा है

सॉफ्टवेयर स्क्रीन उसकी अंगुलियों पर घूम रहा है ।

किसान मजदूर शिल्पकार कारीगर -

बने डिजिटल तकनीकी के बाजीगर ।

आज दिनों-दिन ऑनलाइन कारोबार बढ़ रहा है ।

डिजिटल करेंसी का निरंतर बुखार चढ़ रहा है ।

जिसे देखो पेटीएम, ई-वैलेट, नेट बैंकिंग -

की ओर भाग रहा है ।

अपने सारे काम इन्हीं के माध्यम से साध रहा है ।

मोदीजी ने नोटबंदी कर सबको ऐसा रिझाया ।

पर दुख है, एटीएम की लाइन में सबको बहुत खिझाया ।

अब उन्होंने नया मंत्र दिया है -

कैशलैस हो जाओ ।

पर आम आदमी इसके फायदे अभी समझ नहीं पाया है ।

उसको पप्पू, लालू, केजरी, माया ने भरमाया है ।

जिस दिन पूर्ण रूप से डिजिटल भारत बन जाएगा ।

इसे देख के यूके, यूएस, रशिया भी शरमाएगा ।

दुनिया कहेगी,भारतियों से, ये कैसा कमाल किया ?

सारी दुनिया में धाक जमाकर, ये जैसा धमाल किया ।

डिजिटल इन्डिया को मिलकर हम, इतना सफल बनाएंगे ।

सारा जग नत मस्तक हम पर, विश्व गुरु कहलाएंगे ॥

## मेरा भारत

आओ मिलकर हम सब अपना, एक सपना साकार करें  
।

इस पूजनीय भारत भूमि का, मिलकर के शृंगार करें ॥  
वंदनीय देश की ज़नता में, स्वच्छता का संदेश फैलायें ।  
सारी दुनिया में हमारी, सुन्दरता की अलख जगाएं ॥  
स्वच्छ हो सड़के, मंदिर, बाग-बगीचे और कार्यालय ।  
घर-घर, गांव-गांव में निर्मित हो, नित नये शौचालय ॥  
स्वच्छ वस्त्र हो, निर्मल तन हो, हो रोगो का उन्मूलन ।  
सभी प्रकार की निर्मलता का हम सब करें संकुलन ॥  
एक दिन बनेगा भारत, दुनिया में सबसे स्वच्छ देश ।  
तब भारत वासी पहनेंगे, नित प्रति नए-नए वेश ॥  
डेंगू ,मलेरिया ,चिकनगुनिया से, सबको मिलेगी मुक्ति ।  
तभी तो पहचान पाएंगे हम, हमारे वेदों की सूक्ति ॥  
स्वच्छ होगा भारत, दुनिया का सिरमौर होगा ।  
डंका बजेगा दुनिया में भारत का ही शोर होगा ॥  
स्वच्छ भारत का यह सपना जब साकार हो जाएगा ।  
तभी सही मायनो में वह विश्व गुरु कहलाएगा ॥
